On a sad note one of our much-loved bowlers in Geoff Elliott, is retiring from this great sport, to focus on Lawn Bowls to which we wish him all the best, however, not too sure if that booming voice we often hear echoing in the bowl would go down that well on the bowls rink during comp... Seriously, Geoffrey you will be sorely missed on the lanes...

Tournament Information -

Handicap System Handicaps are based on 90% of 200 and for new members which is determined by your average after your first six (6) games. This average is maintained for twelve (12) games. After bowlers have bowled in 3 monthly ATBSO (SA) events, the average will be re-calculated each month and updated after each tournament.

Masters: Masters Representatives for the association at the nationals will be the top qualifier in each division of two tournaments selected by the committee.

Fundraising: To assist with the subsidising of our national teams and monthly awards, a number of fundraising activities are held each month. Raffle tickets are sold at most tournaments for a meat tray plus the 100-club draw for \$50 is held monthly at a cost of \$2.

Our major fundraising activity is our annual Quiz Night. Participation is optional however it is expected all members of the national team will attend and support the event.

Although, not fundraising, at each tournament an optional "Pot Games" comp is held. Any bowler can participate but it is not compulsory – see a committee member for more details.

Other fundraising events may occur from time to time – members are strongly encouraged to participate and if possible, donate prizes.

Interstate Challenge – 45 yrs plus

The Interstate Challenge is an annual 3-day tournament with representative teams competing from all Australian States and Territories.

We submit 6 member teams representing the Male and Female Scratch Divisions, Mixed Male and Female Classic Division and Male and Female Restricted Divisions.

Each team plays each other State or Territory 3 times. Teams consist of 6 players, of which only 4 bowls at any one time. Each bowler bowls a minimum of 10 games over the tournament.
